

Set your course for **Opportunities North 2017**

Economic

Exploration &

Exchange

Empowering economic, social and cultural exchange between businesses in Edmonton and the North, **Opportunities North** attracts hundreds of private and public sector guests interested in creating and expanding economic partnerships and opportunities between the regions.

This dynamic conference unites the interests of visionary business, government and community leaders to chart a bold new course for **Economic Exploration and Exchange**. An annual joint initiative of the **Yukon Chamber of Commerce, Northwest Territories Chamber of Commerce** and **Edmonton Chamber of Commerce**, the Opportunities North business conference features: industry renowned speakers, a dynamic tradeshow, and integrated tours affording numerous networking opportunities for local and traveling attendees.
