School Bus Training

School Bus Driver Training Program

REGISTER TODAY!

Our mission is to deliver quality training and safety information to all interested First Nation Communities including organizations, groups and/or individuals.

Our School Bus Driver Training Program is designed with every school bus driver and school bus operator in mind. The focus is on behavioural modification tools for teaching drivers to be safe, aware, focused, educated and responsible drivers.

- Our instructors will come to your Community
- Your Community will provide the venue, vehicle for training purposes and accommodations and travel for instructor
- We supply all course and training materials
- Driver Training Course is generally 40 hours (1 person) depending on driver experience and aptitude for driving larger vehicles. This does not include the 8 hour School Bus Driver Improvement Course (SBDIC)
- In-vehicle training can be for 1 to 4 persons; 4 persons in-vehicle will be approximately 100 hours
- Each session is designed to be site specific, interactive and results oriented
- School Bus Driver Improvement Course (SBDIC) - Mandatory in Ontario for Applicants for a Class "B"E" license

Upon completion of this course, participants will have received a professional level of information and insight that will maintain or elevate your Community or organization's known reputation for having **ONLY THE BEST**.

Lynn Bartels

Our instructors are knowledgeable and very aware of the problems that face drivers every day. Each instructor is Ministry of Transportation approved signing authority qualified, and has classroom presentation experience.

Attitude is a vital key to collision free driving
