2019 Indigenous Student Awards Program

The RBC Indigenous Student Awards Program was launched in 1992 to assist Indigenous students to complete post secondary education, and provide an opportunity for RBC® to strengthen its relationship with the Indigenous community.

This scholarship is intended to support those Indigenous students who have at least 2 years remaining in their post-secondary studies. Scholarship recipients are selected primarily on the basis of personal and academic achievements, and individual financial need. Status Indians, Non-status Indians, Inuit and Métis are welcome to apply. Selected students will receive up to \$4,000 per academic year for educational and living expenses for 2 to 4 years.

RBC awards ten scholarships in two categories for students:

- Majoring in disciplines **related** to the financial services industry
- Majoring in disciplines **unrelated** to the financial services industry

This award will be given to one of the ten winners who demonstrates leadership skills in their community and acts as a change agent for Indigenous communities.
