### Indigenous Leadership Programs Bring the classroom to your community

Banff Centre for Arts and Creativity designs  
customized Indigenous Leadership programs,  
delivered in our clients' home communities.

Our core programs can be customized to  
meet your two- to four-day needs. Our  
ongoing applied research, experienced  
facilitators, and innovative experiential  
approaches help develop leaders in  
Indigenous organizations and communities.

*"We were all blown away by everything [faculty  
Murray Dion] taught us. People with [and without]  
business backgrounds...all left the first training  
session with a totally different perspective on how  
to develop an organization from the ground up."*
