# Power Your Career Forward!

## SUNCOR POWER ENGINEER CAREER ACCELERATOR PROGRAM

**This program is perfect for women interested in entering the field of power engineering and securing a paid co-op placement with Suncor in Fort McMurray.**

This is a two-year program, with pre-program training at WBF in Fort McMurray followed by skills training at Keyano College and a paid co-op with Suncor in Fort McMurray.

**Please note:** only applicants living in the Regional Municipality of Wood Buffalo will be considered for this program.

**Application Deadline: December 2, 2019.**

*This is a competitive program with tuition covered by Suncor for the WBF training segment and basic operator training.*

Learners will complete Keyano's 4th Class Power Engineer program, fulfill a paid co-op term with Suncor, return to school to complete the 3rd Class Power Engineer and finish with a second paid co-op term with Suncor.

### **WBF "career accelerator" training provides participants with:**

- Essential safety awareness and certification
- Best practices for working in construction
- Exposure to the technical skills and hands-on training to support further training to become a power engineer
- Ongoing support from WBF during training with Keyano and Suncor to ensure career success

**Attend our in-person information session on Thursday, October 24, 2019, 6 pm - 8 pm at the ACSA Building, Unit 107, 427 Gregoire Drive, Fort McMurray, AB**
