The Workplace Safety and Insurance Board (the WSIB) helps people overcome workplace injuries and illnesses and helps businesses make their workplaces safe and healthy. Our people are at the heart of what we do. Bring your enthusiasm and expertise to the WSIB, and we'll help you achieve your personal and professional goals through meaningful work, development opportunities and a culture of compassion, integrity and teamwork.

### **Summer Student recruitment**

The WSIB is committed to providing opportunities for students to gain meaningful hands-on work experience and to offer insight into future employment opportunities and career options within the WSIB. When you join the WSIB, you start to put your academic experience into practice as you work on challenging assignments and take ownership of projects. We also offer training programs for each stage of career advancement. Our learning and development programs are focused on developing the core competencies that reflect our organizational values and define the skills, knowledge and behaviours we believe are critical to achieving personal and professional success.

One of our greatest strengths is our people, and our collective desire to make Ontario a safer, healthier and more equitable place to live and work.

At the WSIB, we are committed to a workplace that represents the diverse population we serve. We strive to be a place where everyone feels safe, included and respected - a workplace where you feel a sense of belonging.

We're proud to be a company that makes equity, diversity and inclusion a priority. We invite you to read more about our aspirations in Building a Culture of Belonging: Equity, Diversity and Inclusion Strategy on our website.
