BHP Trades Readiness

An introductory program that prepares you with hands-on skill training and safety certificates to begin a successful career in the mining industry.

BHP Trades Readiness Currently Offered in Saskatoon Program Length - 9 Weeks

PROGRAM DESCRIPTION

BHP Trades Readiness Program provides women with the knowledge, safety certificates, hands-on skills and best practices for working in construction, that are required to start a successful career in the mining industry. Introductory hands-on skills will provide students with the foundational skills needed in the industry. Training will include introductory skill building for the following:

- basic tools
- electrical
- heavy-duty equipment technician
- instrumentation
- industrial millwright

COURSES & SKILLS

- Basic safety certifications and first aid training
- Hands-on skills training in workshops for various trades
- Workplace culture and financial literacy
- Interview & resume workshops to support employment
- Ongoing mentorship and support through alumni advisors

BHP is sponsoring a minimum wage to support living expenses during training.

ADMISSION REQUIREMENTS

What you need to apply:

- Must be a resident of Saskatchewan
- A class 5 drivers' license and access to a vehicle
- BHP requires proof of double COVID-19 vaccination and booster to be eligible to work on the Jansen Mine project

Applicants will also need to complete a variety of steps as part of their application.

PROGRAM COST

- Tuition for this program is funded by BHP
- Students may incur travel costs depending on the distance travelled to the training location
- BHP will be sponsoring a minimum wage to support living expenses during the program

EMPLOYMENT OPPORTUNITIES

Upon completion, graduates will be interviewed with WBF Employment Partners for potential employment.

In addition to Alberta, Women Building Futures will be operating in Saskatchewan. Our first course starts in 2023 with an application deadline in October.
