# Do you provide care to people who use drugs?

Introducing *Harm Reduction Fundamentals: A Toolkit for Service Providers* to deepen their understanding of harm reduction.

The four units of the toolkit can be completed as a series and also accessed individually

## UNIT 1

Setting a foundation for harm reduction

## UNIT 2

Harm reduction principles and practices

## UNIT 3

Drug use, health and harm reduction

## UNIT 4

Supporting harm reduction service provider capacity

Access the free toolkit online. [www.catie.ca/harmreduction](http://www.catie.ca/harmreduction)
