# PROGRAMS AVAILABLE!

## *Katimavik*

Since its foundation, Katimavik's mission has been to empower youth and help them become engaged, caring citizens who can contribute to a better Canada. We do this through the development of key 21st century skills, experiential learning, and civic engagement. Since starting our programs, we have served countless communities across the country and have over 37,000 alumni.

Katimavik offers two programs with different objectives for youth across Canada: the National Experience and FuturePerfect.

### **The National Experience**

The National Experience is Katimavik's flagship program. For 22 weeks, the program allows Participants aged 17 to 25 to live in two new communities, volunteer, meet other youth from across the country and become supporters of Truth and Reconciliation with Indigenous peoples. During the 22-week program, participants spend every Friday learning about Truth and Reconciliation. Two cohorts of Katimavik's National Experience take place each year: from January to June, and from July to December. To participate, one must be between 17 and 25 years old at the beginning of the cohort and be a Canadian citizen, permanent resident or landed refugee.

### **FuturePerfect**

FuturePerfect is a 14-week employment training program for those who wish to lay the foundation for their professional career. Open to youth between the ages of 18 and 30, Participants are matched with an employer in a new city and have the opportunity to work in a full-time paid job for the duration of the program. In addition, Katimavik provides participants with 10 days of employability training before they leave for their new host community. Youth from across Canada are encouraged to apply to jumpstart their professional career, discover Quebec culture and learn French.

*Katimavik's programs are entirely free of charge for participants and are funded by the Government of Canada.*
