## Diversity is Good Business

As the largest equipment rental company in the world, we're committed to making United Rentals a great place to work. And as a recipient of the Associated Builders and Contractors "National Diversity Excellence Award" we know that when people respect each other's personal history and cultural experiences, it makes for a better workplace.

United Rentals is proud to provide employees with opportunities for growth, in an environment based on teamwork, mutual respect, job satisfaction, diversity, and a shared responsibility to build a better future for all.

Build Your Career With an Industry Leader.
