

**BECOME
AN ENERGY
PROBLEM
SOLVER.**

Determined. Imaginative. Curious.

If these are some of the ways you describe yourself — we want to learn more about you! At TC Energy, we are Energy Problem Solvers — passionate about transitioning North America to cleaner energy while meeting the energy demands of today and tomorrow.

If that sounds like a challenge you want to help tackle, we want you to join our team!

Indigenous Relations Intern Calgary, AB

TC Energy is looking to add an #EnergyProblemSolver in Calgary to support our efforts in Energy Problem Solving and our daily operations.

We are seeking a student enrolled in Bachelor of Commerce, Bachelor of Business Administration or related Programs, in various majors and specializations.

We engage our BComm/BBA students in the very core of our operations. As a valued member of the team, you'll do exciting, challenging work, solve real world problems, and make a meaningful impact. You'll learn about the business and build your professional network by working closely with other skilled people at TC Energy. Every day will enhance your knowledge, skills and passion for what you do.

The term length is 4 months.

Posting Close Date: November 15, 2024

TC Energy is committed to provide employment opportunities to all qualified individuals, without regard to race, religion, age, sex, color, national origin, sexual orientation, gender identity, veteran status, or disability. Accommodation for applicants with disabilities is available on request during the recruitment process. Applicants with disabilities can request accessible formats or communication supports by contacting careers@tcenergy.com.

TC Energy is a proud partner
of Indigenous Link's
Community Connections
