

# Where ambition meets opportunity

## Your tech career starts here

At FDM, we're committed to removing barriers and providing access to broader employment opportunities across communities.

Through our ongoing partnership with Indigenous Link, we strive to demonstrate that tech and business careers are an exciting opportunity for all.

## Thrive with us

Our FDM Career Development Program is built differently for ambitious people. Start strong and advance with:

Specialist  
coach-led training

Individual  
1-to-1 mentorship

Exciting assignments with  
world-leading businesses

Didn't study tech? Not a problem.  
If you have the passion and drive to succeed,  
we can help you build a career you can be proud of.
