At CPP Investments, we are committed to helping you grow your skills and gain world-class experience. We have leaders who listen to every member of the team and trust them with meaningful work. This translates into immediate and unparalleled learning.

This program provides you access to a virtual classroom and on the job training where you will learn how to leverage your problem-solving and communications skills to help make critical business decisions. You will be assigned a manager and mentor to help support your learnings from the classroom to apply in the working setting.

You will join us as an Intern Analyst for the Summer of 2025 in the Legal Department. Candidates in an undergraduate or graduate program in law that will be returning to school in Fall 2025 are eligible to apply.
