

About Ontario Teachers' Pension Plan

OTPP administers a defined benefit pension plan that provides lifetime pensions to teachers across Ontario.

Early Talent - Interns

This is more than just an internship. You're a crucial part of our team. We want to learn from you as much as you want to learn from us.

Networking

Each term kick-starts with a comprehensive orientation program to set you up for success. Attend exclusive events with senior leaders, connect with fellow interns in our monthly socials and check out our regular wellness sessions and Employee Resource Groups events. Our employee-led volunteer groups take the lead in facilitating candid conversations about issues that matter most. Education and empowerment make us better allies and better people.

Continuous Learning

Join events that spark your passion. Our specially curated Career FUNDamentals is packed full of opportunities, including interactive workshops, networking sessions connecting interns with their peers, early talent, and experienced professionals across various departments to help kick-start your career.
