Community and Social Performance Specialists Infrastructure Projects

HATCH

At Hatch, we are committed to reconciliation and increasing Indigenous representation. Preference will be given to qualified candidates who self-identify as Indigenous (First Nations, Métis, or Inuit). We encourage applicants to mention this in their cover letter or application.

In this role, you will focus on social performance, as well as community and Indigenous engagement. You will also have opportunities to contribute to projects across environmental and placemaking disciplines, supported by ongoing training and career development. This role offers a unique opportunity to leverage Hatch's deep expertise in engineering, environmental permitting, and community and Indigenous engagement to help shape inclusive, future-focused project outcomes.

Full-time positions located in Mississauga, ON; Montreal, QC; Calgary, AB; or Vancouver, BC.

Don't meet every single requirement? You don't need to. At Hatch, we are building a diverse, inclusive workplace that fosters innovation. If you're interested in this role, we encourage you to apply even if your past experiences don't perfectly align with the skills we've listed.

Why join us?

- Work with great people to make a difference
- Collaborate on exciting projects to develop innovative solutions
- Top employer

What we offer you?

- Long term career development
- Think globally, work locally

Hatch is a proud partner of Indigenous Link's Community Connections
